July 6, 2021

To: Judy O'Meara, CES Principal

According to the Board of Education Policy on weeding (6163.1 e&f), the literacy department at Colchester Elementary School would like to remove the items on the attached list.

CES ELA Outdated Resources

The items to be removed are our previous reading, writing, and phonics core programs, intervention programs, as well as an outdated reading assessment. We have also accumulated free samples of ELA Resource packages that have been sent to CES as we explored other core programs.

All usable teacher resource materials have been offered to teachers for use in the classroom. I am in search of buy-back programs and charities to donate these materials for any remaining materials.

Thank you,

Erin L. Hermann
